CRMS is an apostolic team of spiritual mentors, who develop leaders to strengthen and start churches. Registered in Singapore in 2003, we are part of an international fraternity of ministries that was born in the USA in 1980, and now numbers 350 staff in 30 countries.

CRMS creates environments, relationships and materials to build spiritual leaders. We exist to empower you by inspiring, equipping, and supporting you for greater growth and ministry effectiveness. The focus is on how God wants to develop you and guide you – who you are becoming and how you will make your greatest kingdom contribution.
